Hymn # 245 "Praise the Lord with the Sound of Trumpet"

Call to Worship:

We come to worship this morning,
some with joyful hearts, and some with hurting souls.

Christ is here, ready to celebrate, ready to heal.

We come to worship this morning,
some of us tired, some of us full of energy.

Christ is here, giving us strength, giving us purpose.

We come to worship this morning,
some righteous, some repentant.

Christ is here, full of grace, full of forgiveness.

We come to worship this morning,
some of us full of questions, some of us sure in our faith.

Christ is here, present in doubt, present in assurance.

We come to worship this morning, all of us, knowing...

Christ is here!

Opening Prayer:

Light of Our Heart,

**who clears all the shadows away,
we gather together in this between time-
the time between one season and the next,
the time between reflection and action,
the time when there is breath space
to pause and rest in your presence
where pure love is found.**

**In this sacred place, we gather to receive
your message of love and transformation.
We are grateful for this time
to be opened, filled, and strengthened by you.
Bless us, Light of the World, as we dip our cups
into your well of living water. Amen.**
